

Save attachment you received

In the message, touch & hold the attachment, then tap  > **Save**. Or, tap the attachment to open it and look for save options.

If you don't save an attached photo or video, it is kept within the message only. So, if you delete the message, you also delete the attachment. (You can try to [recover recently deleted messages](#).)

View saved attachments

For photos or videos, [open](#) the Photos app and tap **Collections**.

For other attachments, open the Files app.
